WALNUT LANE

Walnut Lane

Walnut Lane is a family owned business where we strive to build the highest quality, most comfortable furniture possible. Our Bentback style features a very comfortable lumbar support. We use Tangent Poly Lumber is made of (HDPE) a recyclable plastic derived from post-cosumer waste such as milk & detergent bottles

Our poly furniture is durable, will not splinter, crack, or rot; it is low maintenance, can be left outside all year round; and it is easy to clean.

General Cleaning

Scrub boards with soap and water solution using a soft sponge or plastic brush.
You can use a soft brustled toothbrush to clean spaces that are hard to reach.
To remove surface dust, hose furniture down with cold clean water.

Our Fasteners

All of our fasteners are stainless steel marine grade with AlloChrome plating that has been tested for over 4200 hours of salt spray protection! We use aluminum bracing where appropriate.
