One of a kind. Many kinds...

Aspen, Pine, Cedar – each species different, each log unique. Our standard heat treated process assures you clean logs with no surprises.

- Quality craftsmanship
- Customer service
- Personal attention
- Extensive selection of offerings

“Live” edge

Cut edge with round over

All cabinets are available in your choice of “live” edge or cut edge with round over at no extra charge. Please specify edge choice when ordering.

All drawers are solid poplar dovetailed and full extension drawer glides.

Please allow 6-8 weeks for manufacturing on standard furniture. (Special orders allow a few extra weeks.)

The rustic wood we select has natural knots, superficial cracks and patterns as part of the rustic log style. However, if any of these imperfections affect the stability of your furniture, we will repair or replace it.
